A. By Laws postponed as Kathy Pearce and Zelda Andrews were absent.

B. Our community charity project, Boggy Creek, has not responded to Carolyn's attempts at contacting them to send someone over to our meeting to receive a donation. They agreed to it but have not called her back after repeated calls to them. We voted to change our recipient of the donation to another group if they don't respond by our next meeting. Back up charity was Wildwood Soup Kitchen who provide food for children. They work out of the First Presbyterian Church of Wildwood.

VII. New Business:

A.. Ellen Beris suggested we look into renting a small bus to take interested members to the Dec. 2019 AKC show in Orlando. It was voted in the affirmative to look into this. Sharie Davis will check on costs. No dogs, just people.

B. Teri Stuber wished to remind us to have contact information on our refrigeratos at home . List whom they should call in an emergency to come and get your animals should something happen to you. This information should also be carried on you when traveling. She had a friend pass away and they didn't know what to do with her dog, so they called animal control.

VIII. Additions and Announcements/Brag

A. We had Susan Prickett bring in her puppy, an affenpinscher, who just survived Parvo infection. She gave us a history of her ordeal. The main symptom was lethargy. Her puppy also stopped eating. There are no medicines for this disease. The only treatment is supportive care. Give fluids, keep them quiet, give nutracal, and lower stress.
