a. Worker Bucks in the form of real cash should be distributed to anyone volunteering at our Trials. Sharon Everson will determine how to distribute Worker Bucks to those who helped out at the Scent Work Trial.

- Parking under the large pavilion adjacent to the Clement Building was not permitted. We used it last year. We only learned of it that morning at 6:30am.
- Cole, the Manager, threatened to charge us for the small pavilion at the end of the building. We used it last year with no problem.
- The wind wreaked havoc on the tarps being used to secure the outside search areas intermittently delaying the event.

6. Highly recommend that the Lake Eustis Fair Grounds not be rented by us for future events.
